

DTC	21	Solar Sensor Circuit
-----	----	----------------------

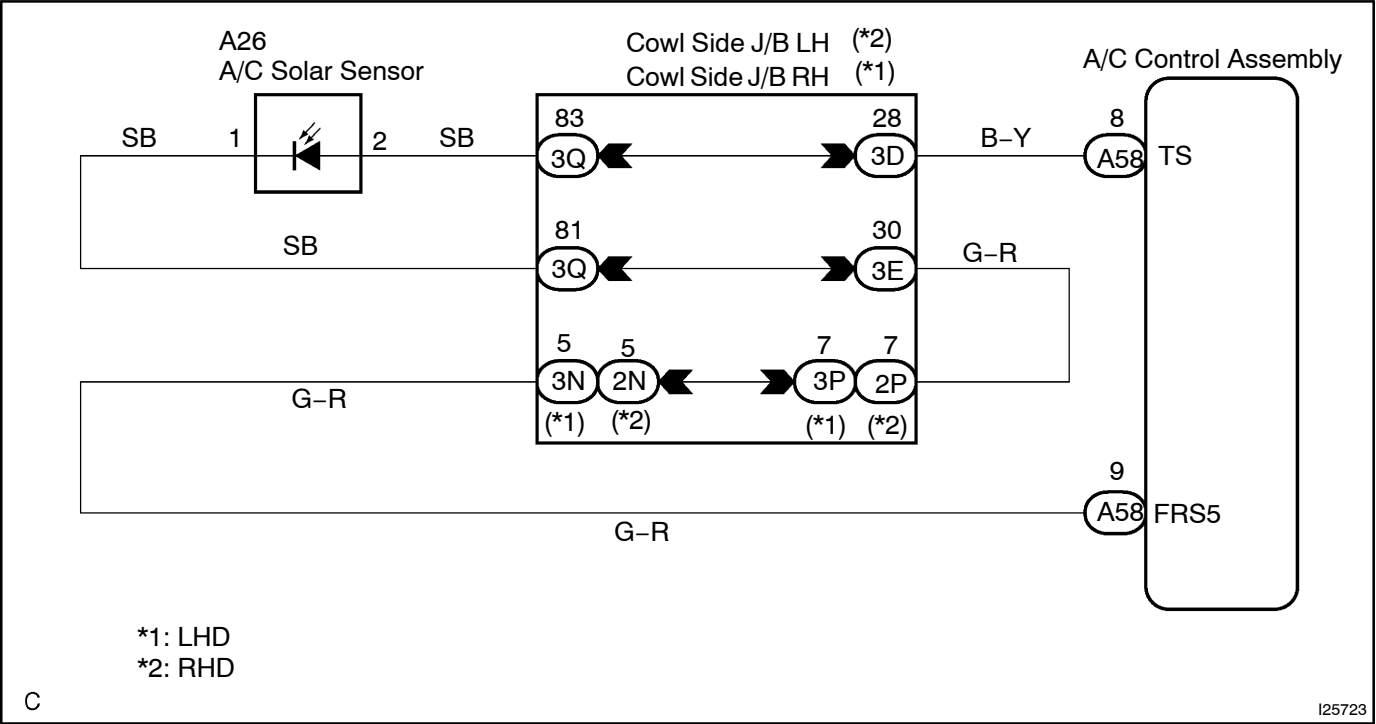

CIRCUIT DESCRIPTION

A photo diode in the solar sensor detects solar radiation and sends signals to the A/C amplifier.

DTC No	Detection Item	Trouble Area
21	Open or short in solar sensor circuit Please note that display of diagnostic trouble code 21 is not abnormal when the sensor is not receiving solar radiation	• Solar sensor • Harness or connector between solar sensor and A/C amplifier • A/C amplifier

WIRING DIAGRAM

INSPECTION PROCEDURE

1 Check voltage between terminals TS and FRS5 of A/C amplifier.

**PREPARATION:**

Remove A/C amplifier with connectors still connected.

CHECK:

- Turn ignition switch to ON.
- Measure voltage between terminals TS and FRS5 of A/C amplifier connector when the solar sensor is subjected to an electric light, and when the sensor is covered with a cloth.

OK:

Condition	Voltage
Sensor subjected to electric light	0.8 - 4.3 V
Sensor covered with a cloth	Below 0.8 V

HINT:

As the inspection light is moved away from the sensor, the voltage increases.

NG

Go to step 2.

OK

Proceed to next circuit inspection shown on problem symptoms table (See page DI-1238). However, if DTC 21 is displayed, check and replace A/C amplifier.

2 Check solar sensor.**PREPARATION:**

Remove solar sensor.

CHECK:

- (a) Cover the sensor with a cloth.
- (b) Measure resistance between terminals 1 and 2 of solar sensor connector.

HINT:

Connect positive (+) lead of ohmmeter to terminal 1 and negative (-) lead to terminal 2 of the solar sensor.

OK:

Resistance: ∞ Ω (no continuity)

PREPARATION:

- (a) Remove the cloth from the solar sensor and subject the sensor to electric light.
- (b) Measure resistance.

OK:

Resistance: Approx. 4 k Ω (continuity)

HINT:

As the electric light is moved away from the sensor, the resistance increases.

NG**Replace solar sensor.****OK****3 Check harness and connector between A/C amplifier and solar sensor (See page N-38).****NG****Repair or replace harness or connector.****OK****Check and replace A/C amplifier.**
